Reports on the Administration of the Local Boards in the Bombay Presidency including Sind for the year 1920-21.

GOVERNMENT OF BOMBAY.

GENERAL DEPARTMENT.

Resolution No. P.—52.

Secretariat, Fort, Bombay,

Dated the 13th July 1922.

Read—

The reports from the Commissioner in Sind and the Commissioners of Divisions on the administration of Local Boards in their respective charges during the year 1920-21.

RESOLUTION.—*Number of Boards.*—The number of District and of Taluka Local Boards remained the same as in the preceding year, being 26 and 219, respectively.

2. *Area and Population.*—About 7¼ square miles passed from Local Boards to Municipalities, mostly in the Southern Division. The population of Local Board areas shows an apparent loss of about ten lakhs, but this is due to the facts that the figures of the 1921 census were adopted instead of those of 1911, people have migrated from the rural areas to the small country towns and the population of newly formed municipalities is necessarily excluded from that of the Local Boards.

3. *Constitution.*—The year marks a further advance in the liberation of the Boards from internal official control. In Sind the District and Taluka Boards in the Upper Sind Frontier District and four Taluka Boards in the Thar Parkar District were the only Boards which were not elected ; but it has since been decided to grant to the Local Boards in the former district, an elective constitution from the end of their current terms. All Boards in the Northern and Southern Divisions were reconstituted on the basis of a two-thirds elective element. Similarly, all Boards in the Nasik District were reconstituted and thus most of the Boards in the Central Division have now a two-thirds elective majority.

Non-officials were freely selected to act as Presidents and Vice-Presidents of the Local Boards. In Sind the Hyderabad and Karachi District Local Boards had non-official Presidents, and since the close of the year one has been appointed for the Larkana District Local Board also. Of the 59 Taluka Local Boards in Sind 53 had non-official Vice-Presidents. In the Northern Division a non-official President was appointed for the Kaira District Local Board and since the close of the year the same privilege has been extended to the remaining District Local Boards of the Panch Mahals and Surat. Ten additional Taluka Boards in the Division were also given non-official Presidents, raising the number of such Taluka Boards from 12 to 22. The Vice-Presidents of all the District Boards and, with very few exceptions, of all the Taluka Boards were non-officials. In the Central Division the East and the West Khandesh District Local Boards which were the only remaining Boards with official Presidents were given non-official Presidents. The number of Taluka Local Boards having non-official Presidents showed a marked increase from 10 to 37 whilst 56 out of 67 Taluka Boards in the Division had non-official Vice-Presidents. In the Southern Division non-official Presidents were appointed to the Bijapur and Kanara District Boards, thus leaving the Ratnagiri Board only with an official President. The number of Taluka Local Boards having non-official Presidents rose from 11 in the preceding year to 33.

4. *Elections.*—There were six by-elections in Taluka Boards in the Central Division none of which aroused any appreciable interest. For three of the four vacancies in the Satara District no candidate came forward and Government had to

make the appointments under section 24 of the Local Boards Act. In the Southern Division, however, in the case of the Bijapur District, the only District in which triennial elections were held, 71 per cent. of the seats were contested and some interest was taken by the voters.

5. *Meetings.*—As compared with the previous year there was a fall in the total number of meetings held during the year, from 1,509 to 1,434 and the total number of meetings which proved abortive for want of a quorum rose from 163 to 172. The number of meetings that were adjourned remained the same as in the preceding year, namely, 52. No District Local Board and with a few exceptions no Taluka Local Board failed to hold the prescribed minimum number of meetings. Most of the exceptions were Taluka Local Boards in the Sholapur District in the Central Division. Business was, as in the preceding years, transacted by circular memoranda under the provisions of section 34 of the Local Boards Act, as well as in meetings especially in Sind and to a certain extent in the Central and Southern Divisions. The average percentage of members attending each meeting in the Northern, Central, and Southern Divisions and in Sind was respectively 59, 57, 54 and 49 against 62, 56, 60 and 51 in the preceding year.

6. *Income.*—The aggregate income of the Boards (excluding debt items) fell from 129 to 124 lakhs of rupees. The following statement compares the receipts under the principal heads of revenue with those of the preceding year :—

Income.

(Rupees in thousands.)

Sub-head.	1920-21.	1919-20.	Increase.	Decrease.
Land revenue	4,18	4,10	8	....
Local rates	23,80	33,63	....	9,83
Interest	31	30	1	....
Police	2,59	2,43	16	....
Education	61,81	59,34	2,47	....
Medical	1,61	1,62	....	1
Scientific and other minor Departments	1,08	1,19	....	11
Miscellaneous	1,01	75	26	....
Civil Works	27,17	25,06	2,11	....

7. *Local Rates.*—This is the only head under which any important change took place. In the previous year there had been an abnormal increase of 7½ lakhs, due to the recovery of land revenue suspended during the previous year and in addition to this there were short collections in the year under report owing to the unfavourable season.

8. *Education.*—The increase of 2½ lakhs under this head is mainly due to the increased salaries of teachers, and simply represents a larger Government grant for this purpose.

9. *Civil Works.*—The increase of about 2 lakhs under this head was the net result of the increase of Rs. (1,68,728 + 95,866 =) 2,64,594 in the Northern and Central Divisions against the decrease of Rs. (42,682 + 11,000 =) 53,682 in Sind and the Southern Divisions. The increase in the Northern Division was due to increased receipts from " Sale of Buildings, etc., " and " Contributions from Government and from others ". Government grants to the Ahmednagar District Local Board — 48,000 for completion of roads taken up as famine works in 1919-20 and Rs. 32,500 for the improvement of water supply—constitute the major portion of the increase in the Central Division. The decrease of Rs. 11,000 in the Southern Division is accounted for by the fall in the toll and ferry receipts and receipt of smaller Government grants.

10. *Expenditure.*—The total ordinary expenditure stood at Rs. 130 lakhs as against Rs. 120 lakhs in the previous year and Rs. 104 and Rs. 82 lakhs in the two years immediately preceding showing a continuous increase of expenditure

during recent years. The statement given below shows how the expenditure was distributed between the several heads side by side with the corresponding figures for the previous year :—

Expenditure.

(Rupees in thousands.)

Sub-heads.	1920-21.	1919-20.	Increase.	Decrease.
Administration	3,14	2,28	86	....
Education	69,65	62,74	6,91	....
Medical	8,73	8,48	25	....
Scientific and other minor Departments	1,81	1,88	....	7
Stationery and Printing	19	24	....	5
Miscellaneous	1,49	1,60	....	11
Civil Works	43,35	40,62	2,73	....
Debt	2,29	13,13	....	10,84
	1,30,65	1,30,97	10,75	11,07

The more striking variations are commented upon below.

11. *Administration.*—The increase which was shared by all the Divisions and Sind, was due to increased allowances to Local Board establishment, entertainment of additional establishment for new non-official presidents, etc., and the payment of travelling allowance to members recently sanctioned by Government.

12. *Education.*—The increase under this head was almost uniformly distributed between Sind and the three Divisions and was mainly due to the revision of pay of school teachers but also to larger grants of scholarships and of contributions to private institutions.

13. *Medical.*—The major portion of the increase was contributed by Sind and was due to the grant of increased pay and war allowance to dispensary and vaccination establishments and the high prices of medicine. In the Southern Division three new dispensaries were opened during the year at (1) Chandgad in Belgaum. (2) Nagothna in Kolaba and (3) Khed in Ratnagiri. The construction of dispensary buildings at Khed and Devrukh in Ratnagiri was completed while the construction at Shiggaon in the Dharwar District was in progress.

14. *Civil Works.*—Rs. 2,73,347 more were expended under this head than in the previous year. All the Divisions and Sind contributed to the increase, the Central Division showing the greatest increase namely Rs. 1,64,072. A comparison of the figures of expenditure incurred under the several sub-heads with the corresponding ones of the preceding year is made in the following statement :—

Civil Works.

(Rupees in thousands.)

——	1920-21.	1919-20.	Increase or Decrease (+ or—)
Buildings .. .. { Original ..	6,14	3,80	+ 2,34
Buildings .. .. { Repairs ..	2,34	2,12	+ 22
Communications .. .. { Original ..	5,71	5,13	+ 58
Communications .. .. { Repairs ..	16,11	18,00	— 1,89
Water Supply and Water Works .. { Original ..	1,91	1,44	+ 47
Water Supply and Water Works .. { Repairs ..	1,80	1,75	+ 5
Other works of improvement	21	13	+ 8
Establishment and Contingencies	5,46	5,30	+ 16

Staging Bungalows, etc., establishments and charges ..	14	11	+ 3
Arboriculture	1,39	1,47	— 8
Miscellaneous	26	12	+ 14

15. *Communications.*—Rs. 58-thousand more were spent on original works but the expenditure on repairs fell by Rs. 189 thousand. The decrease under repairs was shared by all the Divisions and Sind. The Bijapur and Ratnagiri Boards which were mainly responsible for the decrease in the Southern Division are reported to

have been obliged to spend Rs. 10,000 and 6,000 respectively, less than the Government grants for the purpose owing to expenditure on famine works in Bijapur and on medical charges in Ratnagiri. The increase under "original works" in the Central Division was shared by all the Districts except Poona, a marked increase being in the Ahmednagar District on account of the completion of three famine roads by means of Government grants. Provincialization of roads was mainly responsible for the decrease in the Northern Division and partly for that in Sind. An additional cause of the apparent decrease in Sind was the receipt in the preceding year of a special grant of Rs. 50,000 by the Karachi District Board.

16. *Water Supply.*—The increased expenditure occurred mainly in the three Divisions. In Sind the increase of 9,000 under original works for sinking of 19 wells was counterbalanced by a decrease of 10,000 under the head of repairs. The Southern Division had to spend more owing to the general deficiency of rain fall. In the Kolaba District there was as usual a great deficiency of water and a keen necessity for increasing the water supply. The increase of Rs. 25,025 in the Central Division was the largest and was shared by all the Districts except West Khandesh, Poona and Sholapur. The Kaira and Broach Districts contributed to the increase in the Northern Division.

17. *Closing Balances.*—The opening and closing balances of the District Local Boards are tabulated by Divisions in the statement appended to this Resolution. The Boards closed their annual accounts with an aggregate balance of Rs. 35 lakhs, being less than that of the preceding year by 9 lakhs. Sind and the Central Division were chiefly responsible for the comparative fall, contributing 7·35 lakhs and 4·17 lakhs respectively. The decrease was counterbalanced in part by an increase of 1·88 lakhs in the Northern Division and of Rs. 40 thousand in the Southern Division. In the Northern Division the increase of about 28 thousand over the closing balance of the preceding year shown by Broach, is accounted for by larger realizations from the Local Fund Cess than were anticipated in the budget. The Surat Board explains its excess balance, the bulk of which was for Educational, Medical and Veterinary objects, by the failure of the Public Works Department to utilize the amount for certain works under construction and by its own inability to do the same owing to the scarcity of labour and the high prices of materials. In spite of the decrease the balances still largely exceed the minima prescribed. These large excesses were mostly due to the non-completion of the budgeted programme of works for one reason or other. The Commissioner, C. D., remarks that the accumulation of heavy balances indicates a certain want of method and organization in the arrangement of works. In the Southern Division all the Districts except Bijapur and Kanara showed large apparent balances but the bulk of these is reported to have been allotted for the construction of educational buildings, while most of the remainder was on account of sums not yet spent on works which had not been completed or not even begun. The true available balances were thus very small. An almost general reduction was effected in the unspent balances of the Boards in Sind as compared with the preceding year, but this was largely due to the fact that the normal demands on the resources of the Boards were in excess of their revenue so much so that some of the Boards drew upon their savings to meet expenditure that should properly have been defrayed from current revenues. The Karachi and Hyderabad Boards showed large educational balances of Rs. 57 and 78 thousand, respectively, but they were expected to be utilized during the following year.

18. *Works Committees.*—The operations of these Committees were on the whole progressive but the interest shown by the generality of the members was not so keen and widespread as is necessary for the effective and economical execution of the works supervised by them. The tendency shown by some of the working members of neglecting the very necessary personal supervision of works on the spot was checked, to a certain extent, by the grant of travelling allowances recently sanctioned by Government. In addition to these Works Committees as many as 38 Village Committees in the Kaira District and similar Committees in the Dohad Taluka of the Panch Mahals District in the Northern Division were constituted and some of the members are reported to have taken a keen interest in supervising works committed to their charge and in rendering assistance in procuring carts, labour etc. In the Central Division the Taluka Board of Sakri is reported to have tried the experiment of giving small works on contract to Village Patils and Panchas but without satisfactory results. In 7 out of 10 Taluka Local Boards of the

Ahmednagar District villagers undertook village works on their own responsibility and a hope is expressed that a further progress in this direction will be made when Village Panchayats are established. The Committees of the Taluka Local Boards in the Belgaum District did nothing, and in the Taluka Local Board of Belgaum there was serious mismanagement of works. In Sind the members of the Committees in the Districts of Karachi, Hyderabad, Sukkur and Nawabshah are reported to have taken considerable interest in the work of inspection and supervision. Some of the members of the Committees in the Larkana District showed a little interest while those in the Thar Parkar and Upper Sind Frontier Districts were generally apathetic.

19. *General Remarks.*—The Boards on the whole continued to work satisfactorily and the Presidents and Vice-Presidents of the Boards, now mostly non-officials, took a keen and practical interest in their work. They received material assistance from the Chief Officers. The members as a class, with however a number of individual exceptions, did not take a proper interest in their work, not appearing to realize the responsibilities of their office which they seem to consider more or less honorary and advisory only. This lukewarm attitude of the members deprives the Presidents and Vice-Presidents of the Boards and their executive Officers of the support and assistance which they have a right to expect. Government can only repeat that in their opinion there can be little progress in local board matters until the members realize their duty to the public whom they represent. In particular regular and systematic supervision by members of Local Board Works, and specially road works is essential if the work is to be carried out either efficiently or economically. Without such supervision the chances of fraud and extravagance both in estimates and contracts are greatly increased. The entertainment of an engineering establishment of their own by a few Local Boards is a step in the right direction and Government if satisfied of the efficiency of the establishment employed are prepared gradually to relax the rule by which all important works must be carried out by the Public Works Department. They have already relaxed the restriction in Ahmednagar District where there is a progressive Local Board with an able and energetic President.

The large closing balances of the Boards are as pointed out above mainly illusory. Difficulty was felt by all Boards in meeting the ever increasing cost of establishment and works owing to the general and continuous rise of prices. The inelastic revenue of the Boards was found to be increasingly inadequate to meet the growing demands for expenditure. The large Government grants which were freely given provided a palliative but even with them the revenue of the Boards was insufficient for the proper discharge of their functions. Provision has however been made in the Bill at present under consideration for District Local Boards to raise funds by taxation. This should enable them to obtain a sufficient income if properly used.

There was not only no substantial improvement in Local Board roads but on the other hand signs of a progressive deterioration are apparent. Lack of funds to meet the increased cost of labour and materials, the insufficiency of the Boards' own agency to carry out the necessary works and the lack of proper supervision of works were the principal reasons for this state of affairs. Moreover, the need of framing a systematic programme of road works based on the degree of importance and necessity for each work does not appear to have been realized. With the improvement of finances, the maintenance by the Boards of separate engineering establishments and the more thorough vigilance of the Works Committees it is hoped that the condition of the roads will improve. Many roads, measuring in the Central Division as many as 720 miles, were provincialized and the Local Boards concerned were thus afforded very considerable relief.

Want of proper houses for village schools continued to be felt. The designing of a school building which shall be both cheap and suitable is a problem to be solved by the engineering staff of the Boards. The increase in the number of schools has been temporarily retarded by the necessity for first increasing the rates of pay of teachers to bring their pay up to the standard of a living wage. There is an urgent necessity for an increase in the supply of trained mistresses for the promotion of female education in rural areas to bring it up to the same standard as in municipalities.

The District Local Boards in the Central Division, especially Ahmednagar, Poona, Satara and Sholapur, are reported to have readily borne their share of the measures for relief of distress in the famine stricken areas. The Ahmednagar Board undertook considerable operations for the improvement of water-supply and also maintained a cheap grain shop. The other three Boards referred to helped by opening relief road works. In the Southern Division similar works were also undertaken by the Bijapur Board.

The account work of many Local Boards in the Southern Division continues to be very bad, the principal offenders being the Taluka Local Boards of Chikodi, Indi, Bagalkot, Gadag, Hangal and Honawar and the District Local Board of Kolaba. The importance of keeping proper and regular accounts should again be impressed upon the defaulting Boards.

20. Copies of the Resolution should be submitted to the Secretary of State for India, and the Government of India and should be forwarded to all Commissioners and Collectors and to the other Officers and Departments concerned.

By order of the Government of Bombay
(Transferred Departments),

S. N. ZIMAN,
Deputy Secretary to Government.

G. R., no. P.—52, G. D., dated the 13th July 1922.

* Variation from the last year's closing balance due to final adjustment intimated by the Accountant General.
† Deduct Rs. 5,652 on account of net adjustment not included in actual receipts and payments.
‡ In the statement for the last year the closing balance was shown as Rs. 2,26,965. It was subsequently corrected by the addition of the several sums amounting now to Rs. 3,477 and debiting the sums amounting in all Rs. 5,838 under Accountant General's orders and consequently the closing balance finally acknowledged by the Accountant General comes to Rs. 2,24,605 as shown in the current year's statement.

*The difference between the closing balances of all talukas except Nawapur of the last year and the opening balances of the year under repot is due to the fact that th Accountant General adjusted the village water-supply grants and the amounts of cattle pounds expenditure as per Accountant General's No. T. A. IV-51—473 of 10th Jul 1920 and No. T. A. IV-864 of 3rd July 1920, respectively and review charges were adjusted by the Executive Engineer, West Khandesh, in his requisition in his March fin accounts of 1921.

Statement showing the Income and Expenditure of the Taluka Local Boards in the Bombay Presidency during the year ending 31st March 1921.

[Sanctioned by G. R., G. D., No. 846, dated 30-1-13.]
